

Via Vitae – Sermon Notes

Series: Prosperity Pathway

Sermon 4: Aligning Faith and Works

Scripture: James 2:14–26

Main Points

- Faith Alone is Not Enough – Faith without action produces no fruit.
- Works Alone Are Not Enough – Effort without faith is powerless and exhausting.
- Alignment Produces Prosperity – When faith and works move together, abundance flows.
- Accountability in Action – Measure faith by works, and works by faith.

Weekly Challenge

This week: 1) Identify where you have faith but no action and take one step. 2) Identify where you work without faith and invite God into it. 3) Commit to aligning both daily.

Key Verse

“Faith by itself, if it is not accompanied by action, is dead.” – James 2:17
