

## **ALIGNED TO RISE: Why Do We Chase Growth Instead of Alignment?**

**Text (ESV):** Matthew 6:33

### **Big Idea**

Alignment produces sustainable growth.

### **Key Truth**

Growth follows order.

### **Main Points**

#### **1. Seek**

Seek first the Kingdom.

Priority determines outcome.

#### **2. Order**

Alignment creates capacity.

Misalignment creates pressure.

#### **3. Receive**

Growth follows alignment.

Not effort alone.

### **Reflection**

What is out of order in my life?

### **This Week**

#### **Declaration**

I seek first. Growth follows.

#### **Seed**

Give generously without expectation.

#### **Step**

Reorder one priority this week.
